Happy New Year and welcome to 2020. This is the 29th year of the Flagler Beach Yacht Club and I hope the new Board of Directors and I can lead the club to another enjoyable year. Of course we may lead but it is the members that have made us successful by volunteering, leading events and sharing ideas.

I would like to thank our former Commodore, Jeanne Meyer and her volunteers for putting on a wonderful Commodore's Ball at the Italian Club. The venue was decorated beautifully, the music by Tim Rippey was excellent, the food was good and best of all I think the 100 plus attendees had a good time. Thanks again Jeanne.

Although not an official FBYC event, Randy Meyer led the annual food drive in November and it was covered in last month's newsletter. However, I thought you all might be interested in the write-up that appeared in the Palm Coast Observer. Good job club members!

Now for some important business. As we begin the new year your Vice Commodore, Toni Mincin and Fleet Captain, Amy Krisanda are hard at work planning events. They have scheduled meetings for the Social and Maritime Committees which are detailed in their write-ups. I would like to remind everyone that when you joined the club you signed up for one of the committees and should plan to attend to help with this year's planning. They need your help to make this a fun year.

FBYC Social News

Happy New Year everyone!

The past year was filled with great socials, Maritime events and fun meetings. I would like to thank Kate and all her volunteers for the great events last year. Lastly I would like to thank Kate Nelson for ALL her help and guidance as I move into the Vice Commodore position.

Although not an official FBYC event, thank you all who gave so generously to this year's Christmas Angels. Here is picture of the gifts before we delivered them.

We need your help and input to make 2020 a great year. Please let me know either way if you will attending or if you are not going to make it. You can email me rtmincin@yahoo.com or call at 386-283-5259. If you are on the Social Committee and I do not hear from you, someone will get in touch with you.

Date: Saturday January 4

Time: 1:00 PM

Location: 20 Cedarford Ct. Palm Coast

We are going to try to scale down the monthly meetings in an effort to decrease the amount of time and work involved for those who always volunteer.

Here's to 2020 and a great FBYC year.

Our club has 131 members with 82 of us being boat owners, (41 boats) making the percentage of boat owners 62%. We have 19 openings for new members.

I have plenty of application forms available for potential members.

I have updated the member committee lists and added it to the FBYC Boat list on our website. If you want to change committees, just let me know.

Choices are either maritime or social. Don't forget to update your information as it changes and let's try to establish an e-mail address for each club member. FBYC Master List and the FBYC Boat List are on our home page

at <http://flaglerbeachyachtclub.com/> . Another useful item on our home page is the FBYC calendar of events where we have our meetings and activities posted.

Enjoy boating and be safe. Rear Commodore – Ray

Maritime Moments

I look forward to representing the FBYC as your 2020 Fleet Captain. Thank you Chris, for handing over the Helm and for all those who have and will be assisting me with our events.

I have held my Captain's License with Towing and Launch endorsements for twenty years. I have been boating for over 43 years, personally owning six vessels. For many years, I was a working member of the Croton Yacht Club, NY. My duties involved organizing the multiple events, benefits, and tournaments at the Yacht Club. My other duties were hauling vessels for commissioning and decommissioning. I was an operator of the "pile driver" which was used to bi annually set the docks for the seasons, which included many boat yard maintenance tasks.

I was a Westchester County, NY, Police Officer, and served on the Police Marine Unit. I am a member and past Director of the Hudson River Boat and Yacht Club Association in NY for the past ten years. The HRBYCA has been an advocate for over 30 Yacht Clubs from Raritan Bay, NJ to Poughkeepsie NY. The goal has been to protect the environment of the Hudson River. We ensured that our voices were represented in issues of the government and we are a strong advocate of clean waters and responsible and safe boating. I am presently a Director with the Flagler Sportfishing Club.

With my knowledge, I look forward to calm seas and gentle breezes for our upcoming year as your Fleet Captain.

Maritime Tips

Consumer Protection Article : BoatU.S. by Charles Fort June/July 2018

A few mistakes that can cost you when buying or selling a boat:

Not using a purchase contract: The details of any boat purchase should be included in a simple purchase contract, which will list the price, included equipment and other details-and should be signed and dated by both parties.

Not sea-trialing the boat after repairs are made: When contingencies are written into a contract, spell out the details and don't formally accept the boat until you have verified that all repairs have been made. Have an independent technician check it out.

Not verifying the Warranty paperwork was transferred to the new owner: While some warranties are transferrable, many have specific conditions that must be met and specific procedures that must be followed. It pays to verify with the company, in writing, that the warranty is now in your name.

Letting friends or family influence your decisions: It may be worthwhile to use contracts to get a good deal on a boat or equipment, but treat the sale just like you would with a stranger. If something goes wrong, or your friend leaves the boat company, or through a private sale through a friend, it might end the friendship. "Handshake" agreements are difficult, if impossible to enforce.

My added information, make sure your insurance is cancelled before the new owner takes possession of your vessel.

BOAT FOR SALE- \$10,300

"Tweety" is a 2001 Chaparral Sunesta 232 deckboat. She was repowered in August of 2012 with a NEW Marine Max 5.7L 325hp fuel-injected engine replacing the original 260hp MPI. The new engine (150 hours) coupled to the Alpha drive with SS prop provides 50 mph +/- . I added a second switchable battery, a trickle charge system, and a fresh water flush. Overall condition is above average with new Bimini and full cover in 2017. The speedometer does not work and the stereo/CD player is "iffy". The boat has been lift kept since 2005. **NO TRAILER.** Bought bigger boat. **Make an offer!**
