Commodore's Corner — Alan Hendry

Alan Hendry alan55hendry@gmail.com 703-586-2405

As we head into another month of Covid-19 precautions and restrictions, it is with a great deal of disappointment that I have to announce all FBYC May events are cancelled. On the bright side of things, as far as I know none of our members have contracted the virus. If that is not correct, please send me an email with the specifics.

The Board held our regular monthly meeting via teleconference on April 14. We worked normal Club business and planned for the future, as much as we can, given the unknowns about our near term situation. When it comes to next month, and each subsequent month, we will make decisions about holding or canceling events a few weeks in advance. We will notify the membership via either the newsletter or a Blast. The number one goal of this board is the safety of our members.

When it comes to club events, not all pose the same risk. For instance our monthly General Meetings are going to be challenging. The church is currently closed. When it does open and we are able to use the hall again, we will be very cautious in making a decision to hold a meeting. When we do hold one, there will be some changes to spread us out. We may not serve food or snacks at the first meetings. A social at a restaurant would be even more difficult to pull off in an era of social distancing.

There are specifics in Amy's Fleet Captain section regarding the June event in New Smyrna Beach.

We think it will be less challenging from a social distancing standpoint than holding a General Meeting. For those staying at the marina or a hotel, we will probably not have any on-boat get togethers. In fact, we will ask all participants to bring folding chairs to gather as a socially distanced group on a grassy area at the marina. BYOB and snacks while enjoying the atmosphere and socializing with the group. Amy will continue to assess the situation for a go, no go decision.

On a final note, please continue to follow the applicable Covid-19 guidelines. As guidelines begin to relax a little, if you are uncomfortable with things, continue to protect yourself at a more stringent level. When things do get closer to the old normal, it would be really nice if there are no FBYC members that have become a part of the Covid-19 statics.

Please see the information below regarding annual dues. Even with the suspension of most activities, most of our monthly fixed costs continue to accrue. Please send your checks to Sandie by June 30.

It's that time!!!! Annual membership dues are being collected. Please make checks payable to FBYC and remember, the dues are \$50 per person.

Until the Stay at Home directive has been lifted mail them to :

FBYC Social News

Hi everyone, due to the Coronavirus the May meeting and all social events have been cancelled. June and July events are scheduled but that is subject to change due to the Virus.

The June Social schedule includes a social at Tortugas in Flagler Beach, Tuesday June 9.

June 18th is our General Meeting.

Right now slated for July, Wednesday July 8th is a social at Beachfront Bar and Grill, General Meeting July 16th and a joint Social/Maritime at Caribbean Jacks on July 22nd.

This has all been so different for us. We all want it to be over and not return so please continue to practice good habits.

The restaurants are suffering greatly so by ordering Take-Out and even gift cards will help them.

Maritime Tips

This is not really a boating tip but it may be of interest to some of our group. We received an email recently from one of our prospective new members, Cameron Orr. He volunteers with the Flagler County Sheriff's Office as lead for their COP Marine Team. Cameron sent the following description of what they do and asked if we would mind passing the information on to our members.

We are a volunteer team that assists the Sheriff's regular marine patrol on the ICW and within the canals of Flagler County.

Generally we go out in pairs although USCG licensed captains are permitted to patrol on their own if they desire. USCG Licensed boaters are placed in Lead Captain positions and other experienced boaters join our team as Mates with the opportunity to move to Captain positions after being observed and "tested" by existing Lead Captains.

We have a dedicated boat and Tahoe SUV both of which are equipped with the same equipment as uniformed deputies.

We are currently looking to add 4-6 new members to our team. We ask that members be willing to put in 3 six hour shifts/month.

If anyone is interested in volunteering or would like more information, please contact Cameron Orr at 321-427-9999.
