Commodore's Corner — James Kelly

Jameswkefbyc@gmail.com

June was a wonderful month. We started the month with a Maritime Suddenly in command class, followed by our 30th year anniversary celebration and meeting and ended with a raft up.

The 30th anniversary celebration was a wonderful event. I don't have official numbers on the most members at a meeting, but it was the most members I have ever seen at a meeting. It was great to see everyone together again and the ones that were unable to attend where dearly missed. We did have a special guest that I was glad to see come to the event, that was Tom Donaghy. For those that don't

know, Tom and his wife Renee are two of the founding members of the club. I would like to the entire board and everyone that helped put this together. I don't want to take away from Kim so I will let her go into more details.

As everyone should know it is July which means Dues where due by June 30th. If you haven't paid, please reach out as soon as possible. Unfortunately, we have had a few members not renew so we still have openings for boat owners. So, if you know anyone interested in boating and having fun, bring them to a meeting or event. If you are not sure about bringing them, tell them to go to www.flaglerbeachyachtclub.com or contact Nick Ward. We have been working to update the website, so if you haven't been on it lately check it out.

I look forward to seeing everyone at the next event.

To the right of the logo is a photo of Danielle Pierro, a woman with dark hair, wearing a dark shirt. Text next to her photo reads 'Danielle Pierro' in a script font, followed by 'TOP PRODUCER' and a small icon of a house. Below this, contact information is listed: 'CELL: 914.760.0364', 'EMAIL: daniellepiero@gmail.com', and '101 Palm Harbor Pkwy Unit B-120 Palm Coast, FL 32137'. On the right side of the banner, there is a scenic image of a beach with two lounge chairs and a thatched umbrella under a blue sky. Text overlaid on this image reads 'FLAGLER COUNTY THE HIDDEN GEM' at the top, followed by the quote '"I don't just sell Real Estate I sell PARADISE"' in a mix of bold and italic fonts, and 'Danielle Pierro' in a script font at the bottom.

FBYC Social News

What an amazing turnout at the FBYC 30th anniversary party. Please remember the businesses that donated door prizes. It was a generous showing of how much they appreciate our patronage. Also a very special thanks to Len and Carol Dignard and all the other for all the cleanup and set up work. Hope everyone will enjoy their door prizes and wonderful prize bag. Quinn

Bui's amazing talent was a highlight of the party. She worked very hard to make these Incredible treats. Everyone enjoyed them

To continue the celebration we will set sail on the Sabrage in St Augustine on July 10. Gather at the boat at 6p and boat departs at 6:30. If you have not signed up still time. Send Doris Houslander \$25 for members and \$35 for guests. That fee is for the food and DJ. You will pay \$65 for passage and your bar bill to the boat after we return to the dock. The boat does have two heads onboard.

We have booked a social at Beachfront Grill for July 27. Gathering at 5p to start happy hour and seating around 6 or when you are ready. We had a great time there last time. Please join us if you can.

Our July general meeting will be July 21. Joel Houslander will be doing his yummy bar b q sandwiches. If you have not had a chance to sign up just send me a note and I will add you to the list. kimsalmonhunt@gmail.com

We are planning another social at the Tomahawk in Bunnell. This restaurant was very very generous with their donations for the door prizes. More information to come.

Hello again from Membership and Advertising guy!

It was a pleasure to induct Bruce Miller and Maryann Lemery at our last meeting. And right behind them are Bob and Cyndi Fazzone who have completed their 3 required events and look to be inducted at the July meeting. Of course they will be on their best behavior at least until July 19, which is when the Board of Directors votes on their applications. (Don't worry Bob and Cyndi, I have a really good feeling about that!).

And was that 30th celebration a PARTY or what!?! Well done to all of the workers who put it together. And many thanks to all of the businesses who supported our anniversary celebration: In this newsletter you should find a list of everyone who provided door prizes. **If you visit these restaurants and other businesses, please tell them you are a member of FBYC and thank them for their contribution towards our event.** Full disclosure, that is not just an altruistic request: The more of us who remind them about FBYC, the more likely they are to choose to advertise in our newsletter, which is a source of revenue for the club.

Speaking of advertisers, **welcome to our newest advertisers, Bill and Jeanne Nix – alias Team Nix of Realty Executives.** Thank you for your support!

It's still Renewal month so I don't have the final tally, but at last count (6/21) we have 134 members and 6 pending applications. So that leaves 10 openings for Club membership. If you have a friend who is interested in joining us, bring them to the next event so they can get to know us and get a membership application. Not to sound like a hawker, but "Get 'em quick, they're goin' fast!"

Fair winds, Nick Ward

Maritime Moments

I'm back, now for Maritime. June was good month. We had Two maritime events. The first one was a "Suddenly in Command" class presented by the U.S. Coast Guard Auxiliary. This was more of an open format instead of textbook. We covered a lot of good information, and everyone had a good time. The Coast guard Auxiliary has been great this year and if any one is interested in any of the classes, they offer please reach out to me and I will either get one scheduled for us or find out when and where they offer it. Our next event was a Raft up in the Cimarón Basin. This was a great event, we were a little worried about the

weather as they were predicting thunder storms at the start time but the storm split right around us and turned out to be a beautiful afternoon. We had 10 boats attend, we all had a great time, and some even jumped in to cool off. We will be planning more Raft up's

I would like to say Thank You to everyone that completed the survey. It really will help with planning maritime events. For the next couple months, we will be focusing on Raft-ups and Matanzas trips. More to follow on that. Stay tuned for Blasts with all the info. Also, you can see them on the upcoming events on the newsletter and on the website.

For this month's maritime column, I am going to do something a little different. Instead of posting a lot of information I am going to give you a link to a website that has a lot of good information. So June 1st Hurricane season began, while some of you have been through your fair share of them some of you have not. BoatUS has a lot of information on what to do and what not to do to prepare for these events. Please take some time to look over these articles and get a plan together so when the tie comes your not scrambling to secure your boat and house.

The link is <https://www.boatus.com/expert-advice/safety-and-prevention/hurricanes> I will add for those of you that have been through a hurricane, it still is a good idea to look this information over as well. If anyone has any questions, please reach out and I will help you find the right answers.
